

# EC Certificate of Conformity

## Unit Verification

GL Luxembourg

of a Notified Body within the meaning of Article 9 of the Marine Equipment Directive 96/98/EC of 20 December 1996.

This is to certify that the equipment identified below has been examined and tested in accordance with the relevant approval procedure of the Marine Equipment Directive (MED) 96/98/EC, as amended, and was found in compliance with the requirements of the specified standards contained therein subject to any conditions in the schedule attached hereto.

|                              |                                                                                                                                                       |
