Issued to
Sika Deutschland GmbH
Rosendahl, Germany

is found to comply with the requirements in the following Regulations/Standards:
Regulation **(EU) 2017/306,**
item No. MED/3.18c. SOLAS 74, Reg. II-2/3, II-2/5, II-2/6 & X/3, IMO MSC/Circ. 1120, 2000 HSC Code 7 and IMO 2010 FTP Code

Further details of the equipment and conditions for certification are given overleaf.

This Certificate is valid until **2021-01-14**.

Issued at **Hamburg** on **2017-05-29**

DNV GL local station:
Essen

Approval Engineer:
Timo Linn

Notified Body
No.: **0098**

for **DNV GL SE**

Sven Dudszus
Head of Notified Body

A U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the European Community and the United States of America on Mutual Recognition of Certificates of Conformity for Marine Equipment", signed February 27th, 2004.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU.
This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV GL SE of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.
Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

Product description
"SCHÖNOX Q9W"
is an universal powder adhesive for the application of tiles approved for use as floor covering on a metallic substrate having a thickness of at least 2.25 mm.

Approved colour: white
Max. amount: 43.9 kg/m2 (thickness: 31 mm)
Maximum organic content: to be stated in the manual/booklet of the product

For further details see test report as referred below.

Application/Limitation
Approved for use as low flame spread surface material, not generating excessive quantities of smoke nor toxic products in fire.

Several layers of floor coverings are acceptable provided that each layer is approved according to the Marine Equipment Directive and bear the mark of Conformity.

Approved for use as low flame spread surface material, not generating excessive quantities of smoke nor toxic products in fire. As per IMO Res. MSC.307(88), Annex 2, Clause 2.2 the SCHONOX Q9W meets the requirements of Annex 1, Part 2 (smoke and toxicity) without further testing.

Each product is to be supplied with its manual for installation, use and maintenance.

Type Examination documentation
Test report no. 2015-1776 issued on 2015-08-27 by Exova Warringtonfire, Frankfurt.
(DNV GL Ref.No. 15-068884)

Tests carried out
Tested according to IMO 2010 FTP Code Part 5 and Annex 2 Item 2.2

Marking of product
The product or packing is to be marked with name and address of manufacturer, type designation, fire technical rating, Mark of Conformity and USCG approval number (see first page).
