DNV GL local station:
**Gimhae Station**

Approval Engineer:
**Karolina Kusmider**

Notified Body
No.: **0575**

for **DNV GL AS**

**Roald Vårheim**
**Head of Notified Body**

A U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of Certificates of Conformity for Marine Equipment" signed 17 October 2005, and amended by Decision No 1/2019 dated February 22nd, 2019.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU.
This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV GL AS of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.
Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

## Product description

"SOS-TEX Type: SO 200"
Primary deck covering composed of two layers:

- 0.2 mm primary layer made by resin and hardener
- 7.8 mm basic layer made of water, sand, cement

Total thickness of primary deck covering is 8 mm.

## Application/Limitation

Primary deck covering, not generating excessive quantities of smoke nor toxic products in fire.

The product may be applied over any steel or non-combustible material.

Maximum organic content: 2.1%

Approved colour: dark grey

Not to be used as an integrated part of horizontal class A division unless tested as such.

The product may also be used as floor covering in accordance with IMO 2010 FTP code Part 5 appendix 4 paragraph 4.9.2.

Each product is to be supplied with its manual for installation and maintenance.

## Type Examination documentation

Test Report No. G2012-0556 dated 6 September 2012 from FILK, Gyeonggi-Do, Korea.

## Tests carried out

Tested according to IMO 2010 FTP part 5 and Annex 2 Item 2.2.

## Marking of product

The product or packing is to be marked with name and address of manufacturer, type designation, fire-technical rating, the MED Mark of Conformity and USCG approval number if applicable (see first page).
