for **DNV SE**

.....
Christine Mydlak-Roeder
Head of Notified Body

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU. This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV SE of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled. Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Product description

The product is mainly composed of 100% polyester with flame retardant treatment of 400g/m² in surface density and blue in colour.

The yarn number along warp and weft length per unit was 28/cm and the yarn count is 300D+600D*300D+600D.

Application/Limitation

Approved for use throughout the accommodation as upholstery fabric for upholstered furniture.

Approved with standard non-FR polyurethane foam filling material type of density 22 kg/m³ and on any filling material with higher density.

Each product is to be supplied with its manual for installation, use and maintenance.

Type Examination documentation

Test report No. FT21131 dated 29th of April 2021 from Far East fire Testing Centre, Shanghai, China.

Tests carried out

Tested according to IMO FTPC Part 8 (IMO Res. A.652(16)) and in compliance with IMO 2010 FTP Code Ch. 8.

Marking of product

The product is to be marked with name and address of manufacturer, type designation, the MED Mark of Conformity and USCG Approval Number if applicable (see first page).
