This Certificate is valid until **2029-04-28**.

Issued at **Høvik** on **2024-04-29**

DNV local unit:
France CMC

Approval Engineer:
Izabela Misztal

Notified Body
No.: **0575**

for **DNV AS**

Mydlak-Röder, Christine
Head of Notified Body

A U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by the "Agreement between the United States of America and the EEA EFTA states on the mutual recognition of Certificates of Conformity for Marine Equipment" signed 17 October 2005, and amended by Decision No 1/2023 dated August 21st, 2023.

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU.
This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV AS of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.
Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to 300,000 USD.

Product description

"STREAMO SEACROSSER"
is a homogeneous floor covering consisting mainly of: PVC, a calcium carbonate and a plasticizer. It has been tested on steel with approved adhesives: UZIN KE 2000S and Ball Styccobond F44.

Weight per unit area: 3200 g/m^2
Max thickness: 2 mm

For further details see Type Examination documentation below.

Application/Limitation

Approved for use as low flame spread surface material, not generating excessive quantities of smoke nor toxic products in fire.

Approved for use as floor covering on any low flame-spread floor covering, steel or non-combustible material.

Tested colour: Approved for all colour variations
Maximum organic content: 55%
(Streamo Seacrosser Gerflor Flooring (China) Co., Ltd)

Tested colour: Approved for all colour variations
Maximum organic content: 55%
(Streamo Seacrosser Gerflor Mipolam GmbH)

Several layers of floor coverings are acceptable provided that each layer is approved according to the Marine Equipment Directive and bear the mark of Conformity.

Any adhesive used, other than the one used during testing, has to be tested for low flame spread characteristics according to IMO 2010 FTP Code part 5 and to be approved according to the Marine Equipment Directive and bear the Mark of Conformity.

Each product is to be supplied with its manual for installation and maintenance.

Type Examination documentation

Test report no. FT23272 dated 31 July 2023 from Far East Fire Testing Centre (FEFTC), Shanghai, China
Test report no. FT23197 dated 12 June 2023 from Far East Fire Testing Center (FEFTC), Shanghai, China
(Streamo Seacrosser Gerflor Flooring (China) Co., Ltd)

Test report: ICL/H17/7925 Rev.1 dated 2 October 2017 from Interscience Fire Laboratory, Hampshire, UK
Test report: ICL/H17/7926 Rev.1 dated 2 October 2017 from Interscience Fire Laboratory, Hampshire, UK
(Streamo Seacrosser Gerflor Mipolam GmbH)

Tests carried out

Tested according to IMO 2010 FTP Code Part 5 and 2.

Marking of product

The products are to be marked with name and address of manufacturer, type designation, the MED Mark of Conformity and USCG approval if applicable (see first page).
