Approval Engineer:
Meike Grabau

Notified Body
No.: **0098**

for **DNV SE**

Mydlak-Röder, Christine
Head of Notified Body

The mark of conformity may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-surveillance module (D, E or F) of Annex B of the MED is fully complied with and controlled by a written inspection agreement with a Notified Body. The product liability rests with the manufacturer or his representative in accordance with Directive 2014/90/EU.
This certificate is valid for equipment, which is conform to the approved type. The manufacturer shall inform DNV SE of any changes to the approved equipment. This certificate remains valid unless suspended, withdrawn, recalled or cancelled.
Should the specified regulations or standards be amended during the validity of this certificate, the product is to be re-approved before being placed on board a vessel to which the amended regulations or standards apply.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Product description
"KJPFS"
is a level 2 fire-fighting outfit consisting of a pair of trousers and a jacket.

The protective clothing is made of an outer aramid layer, a thermal insulation layer, a comfortable layer (consisting of aramid and adhesive blend) and an innermost woven lining fabric. It appears in orange and white yellow and is fitted with stripes of retro-reflective material.

The size of the protective clothing is offered in M, L or XL which should fit a fireman of 1.75 ~ 2.05 m in height.

For further details please see documentation listed under Type Examination documentation below.

Application/Limitation
Approved for use as protective clothing for firefighters.

Performance level achieved: 2 (X2, Y2, Z2)

Wheel marked helmet/hood with visor, gloves and boots are to be provided to complement the outfit.

Each product is to be supplied with its manual for use and maintenance.
