The product liability rests with the manufacturer or his representative in accordance with Council Directive 96/98/EC, as amended.
This certificate authorizes the manufacturer in conjunction with the EC Type Examination (Module B) Certificate of the equipment listed before to affix the Mark of Conformity (wheelmark) to the product described herein.
This certificate loses its validity if the manufacturer makes any changes to the approved quality system, which have not been notified to, and agreed with the notified body named on this certificate and/or after lapse of time, withdrawal or revocation of the EC Type Examination (Module B) Certificate.
The Manufacturer has to apply for periodical audits to verify the maintenance and application of the quality system every 12 months.
