UK Approved Body Authorised
by the MCA

This certificate will not be valid if the manufacturer makes any changes or modifications to the approved type of equipment, which have not been notified to, and agreed with the approved body named on this certificate.

During the period of validity of this certificate the applicable regulations (international conventions and the relevant resolutions and circulars of the IMO) and testing standards may change, therefore the product conformity may need to be re-assessed by the Approved Body.

"The Mark of Conformity" may only be affixed to the above type approved equipment and a Manufacturer's Declaration of Conformity issued when the production-control phase module (D, E or F) of Schedule 2 of the Merchant Shipping (Marine Equipment) Regulations 2025, as amended is fully complied with and controlled by a written inspection agreement with an approved body. In case limitations of use apply, these should be indicated in the Annex.

LEGAL DISCLAIMER: Unless otherwise stated in the applicable contract with the holder of this document, or following from mandatory law, the liability of DNV AS, its parent companies and their subsidiaries as well as their officers, directors and employees ("DNV") arising from or in connection with the services rendered for the purpose of the issuance of this document or reliance thereon, whether in contract or in tort (including negligence), shall be limited to direct losses and under any circumstance be limited to USD 300 000.

Product description

"GALLET F1"

is an adjustable fire helmet for fire-fighters composed of:

- outer shell, made of reinforced nylon compound, of various colour finishing,
- inner impact liner,
- inner suspension with a ratchet headband,
- adjustable chinstraps,
- face shields.

Example of accessories: visors (face guards or ocular visors), light brackets with various lights, integrated lights, communication systems, neck protectors made of aramid textile with aramid/viscose inside layers.

The helmet is available in size XS-S (48 to 54 cm) or size S-M-L (52 to 65 cm).

Application/Limitation

Approved for use as helmet for fire-fighters (type B).

Each product is to be supplied with information, instructions, and statements from the manufacturer in accordance with EN 443:2008 Section 7.

Type Examination documentation

Tests carried out

Tested according to EN 443:2008.

Marking of product

The product is to be marked with name and address of manufacturer, type designation, fire technical rating, the Mark of Conformity, Notified Body No. and the year of manufacturing.
