(Dirk Masanneck)
Head of Certification Body

The certificate is subject to terms and conditions overleaf. Any significant changes in design or construction of the product, or amendments to the Directive or the applied standards may render this certificate invalid. The product liability rest with the manufacturer or his representative in accordance with Directive 2013/53/EU of the European Parliament and of the Council.

APPENDIX, REV. NO. 0

Products covered by this certificate

Metallic Diesel and Petrol fuel tanks for recreational craft applications.

Manufacturing premises covered by this certificate

Facility : UTILLAJE Y CALDERERIA S.A. (UCALSA) Camino Caramuxo, 27, 36213, Spain

Scope : Metallic Fuel Tanks: Engineering, Manufacturing, Testing, Pressure Impulse and Tightness Testing

Terms and conditions

The product liability rests with the manufacturer, his representative in the EEA or, in the absence of a representative, the importer, in accordance with the General Product Safety Directive 2001/95/EC. In order to legally confirm this commitment, the manufacturer must draw up an EC Declaration of Conformity.

The certificate is subject to the following terms:

- The certificate is only valid for the products and manufacturing premises listed above
- The Manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient.
- The Manufacturer shall inform the local DNV GL Office of any intended updating of the quality system. DNV GL will assess the changes and decide if the certificate remains valid
- Periodical audits will be held, in order to verify that the Manufacturer maintains and applies the quality system
- DNV GL reserves the right, on a spot basis or based on suspicion, to pay unannounced visits

The following conditions may render this certificate invalid:

- Changes in the quality system affecting production
- Periodical audits not held within the allowed time window

Marking of product

When meeting with the terms and conditions above, the manufacturer may legally affix the CE mark followed by the Notified Body identification number of DNV GL (0098).
