Product description

SENC Distribution Process as described in the C-MAP document "SENC Distribution Management and End User Information".

Application/Limitation

- The Specification for Distribution of Authorised Navigational Chart Data in SENC Format, Technical Report No. 2002-1392 Rev.02, gives PRIMAR's implementation of IHO Technical Resolution A3.11.
- All changes to the process (procedures and technical tools) are to be evaluated, prior to implementation, on basis described in Technical Report No. 2002-1392 Rev.02, and communicated with DNV GL as appropriate.
- This certificate covers only the distribution of authorised navigational chart data in the CM-93/3 SENC Format.

Type Examination documentation

- Assessment with regard to the Requirements in Technical Report No. 2002-1392 Rev. 01 "Specification for Distribution of Authorised Navigational Chart Data in SENC Format, Doc. No.: 2002-1618 Rev. 01.
- SENC Distribution Management and End User Information.
- Specification of Minimum Performance.

Tests carried out

- Tests in accordance with "Specification for Distribution of Authorised Navigational Chart Data in SENC Format", Technical Report No. 2002-1392 Revision No. 02, Section 5.1.
- Audits in accordance with "Specification for Distribution of Authorised Navigational Chart Data in SENC Format", Technical Report No. 2002-1392 Revision No. 02, Section 5.2

Certificate Retention Survey

Periodical audits to be performed annually by DNV GL to ensure that the quality management system and the SENC distribution procedures are maintained and properly functioning. The scope of these annual audits shall be in line with the periodical audits defined in Council Directive 96/98/EC (Marine Equipment Directive), as amended.
